*“The transition team functions as a microcosm of the transitions the congregation will undergo.*

*It explores the culture and dynamics of the community of faith, with all of its strengths and struggles.”*

## Transition Team

The Transition Team was created in 2018 by Fairlawn Avenue United to guide our commitment to address changes within and around us, working together with the Transition Minister - an exciting journey of exploration and discovery. This is an opportunity to take intentional sabbatical time to seek directions for spiritual and organizational renewal, to rediscover our identity, and to revitalize our mission.

We work closely with the Transition Minister to address the goals set for the Transition by Governing Council. We communicate and consult with the congregation, promote conversation, learning, and understanding about needed changes in the way we fulfil our ministries, and build healthy relationships at Fairlawn Avenue. We are also working to deepen our identity and mission, clarify future directions, and to renew

our connections with the wider community.

The Transition Team currently has six members. We are looking for 2-3 more people to be a part of the Team, or who have an interest in working on one of our focus areas, such as the *Listening Project*, which is seeking to “nurture a culture of conversation” at Fairlawn Avenue.

The Transition Team’s work is time limited – we will have fulfilled our mandate by early next year (2020). Meetings are generally monthly, though work on special projects happens as required by those engaged in the planning and preparation.
