*Thank you for your
continued support.*

Dear Friends of Red Door,

Thank you for your generous donation of toys and clothes, which we received on December 4, 2018. Donations like yours make it possible for the Red Door to continue to provide support to families that are struggling with the basics that so many of us take for granted.

The Red Door has been on the front lines of delivering support services to homeless families and women fleeing domestic violence for over 30 years. In addition to providing emergency shelter, the Red Door offers a number of critical support services that help families re-establish themselves in the community. This is only possible with the generous support of people like you.

With your help we are able to offer the level of services that are critical in helping so many families build a better future. Thank you again for your support in helping end family homelessness one family at a time.

Sincerely,

Kathryn Hill
