

**Fairlawn's First Online Talent Show**  
**LOOKING ON THE BRIGHT SIDE OF LIFE!**  
**Wednesday December 2 at 7:00 p.m. on Zoom**

**What we are looking for?**

Fairlawn's talent of all kinds, and performers of all ages, to put together a pre-taped performance of up to five minutes in length.

Here are a few ideas to get you thinking: sing, dance, tell jokes, perform a skit, do a recitation, play a musical instrument, do stand-up comedy, or perform magic tricks.

**What do we need from you?**

- 1) A recording of your performance, either completed by you OR through an appointment with Joanne Christie, our Church Administrator, to have her record you over Zoom.

If you record your own while using an iPhone, smartphone, or iPad or tablet, please ensure that you set up the device to record:

- in the horizontal/landscape mode, with
- the setting of 16x9 aspect ratio.

See *How to Record at Home* [here](#).

Please contact Joanne at [joanne@fairlawnavenueunited.ca](mailto:joanne@fairlawnavenueunited.ca) for file transfer instructions.

- 2) A completed registration form, found [here](#).
- 3) A completed Fairlawn Video Release for all performers, found [here](#).

**When do we need your recording?**

No later than Monday November 23.

**Who can watch the show?**

Everyone! The week before the show, we will provide:

- Zoom links in *Greetings!*, and
- a congregational e-blast with the Zoom.

If you cannot watch the show live, on tape, it will be recorded and uploaded onto Fairlawn's Facebook page which is password protected.
