

Position: Chair, Experience Belonging Fairlawn Avenue United Church

The Position

EB is an expression of how Fairlawn Avenue United Church attends to the spiritual nurture and pastoral needs of the congregation and provides tangible hope to people in need, by supporting the development and maintenance of a caring loving community.

These ministries provide many different types of support and care for members of the Fairlawn community which help remind them they are not alone and that they are connected by love. The work of the support groups makes a profound difference in the lives of many.

Over time, it is hoped that the skills we have learned by providing support to our Fairlawn community, might also be applied to broader communities we wish to support or who express an interest in becoming part of Fairlawn.

And, as we emerge from COVID, the need for fun, belonging and caring will continue to be important for many.

If you like bringing people together with a common sense of purpose, here is a role that will continue to be a key part of our church life together.

If you are interested in finding more about [EB](#) or about the Chair position, let us know by sending a note to : eb@fairlawnavenueunited.ca.
