To John Cowan and the Embrace Action Fund Team,

L'Arche Toronto Homes Inc. received a donation of \$4,000 from Fairlawn Avenue United Church on December 16, 2024. We are grateful for your ongoing support - you are making a difference at L'Arche Toronto. Thank you!

For over 50 years, L'Arche Toronto has brought the mission of L'Arche to life in this vibrant, diverse city through a unique model of life-sharing in a warm and welcoming community.

Through our five homes and day program, we support persons with developmental disabilities to achieve their goals for a meaningful life. Two innovative programs (not receiving government funding), Sol Express performing and creative arts and Trying It on For Size (TIFS) advanced life skills, respond to what people with disabilities want for their lives. We could not provide these supports and programs without the contribution of partners in the mission like you.

John Cowan, I'm delighted to hear that Rima, Matt, and John Guido were energized by their recent discussion with you and John Ryerson about performance possibilities with Sol Express in the coming year. I look forward to seeing what unfolds. Thank you for helping L'Arche Toronto create a community within the community working to build a world where everyone belongs!

In gratitude,

Cassie Wilson
Executive Director and Community Leader
