Dear Susan,

Thank you for your generous gift of \$13,000.00 to Fred Victor. Your compassion is creating meaningful change for children, youth and families who turn to us in their most challenging moments.

Your support of Fred Victor's Steps to Success program is empowering children and youth living in our family housing locations to build resilience, achieve their academic goals, and develop social and life skills that will lead to increased confidence and improved outcomes. For their families, Steps to Success provides respite and high-quality programming that will support their children to manage stresses, develop skills, experience new things, and build positive relationships in their community.

Fred Victor serves over 3,000 people each day, and your belief in second chances fuels this life-changing work. For that, we are deeply grateful.

From all of us at Fred Victor, thank you. Wishing you and your loved ones a new year filled with peace, happiness, and prosperity.

With sincere appreciation,

Judy White
